Joni & Joyce,

So, last Thursday I received a PR for \$ 1.0 million and obligated it to the ERRS contract. I am now ready to do the paperwork for task order 77; how much of it do you want put on it at this time?

Hi Marilyn,

Consider this email authorization to proceed with the attached Statement of Work for task order 77. The effective date of the task order will be 08/06/2015 and It will be incrementally funded. The current ceiling is \$ 500,000.00. Please be sure to charge the activities related to the release and subsequent clean up to this task order instead of # 51. I'll send the signed TO early next week. Thx.
